ROLE

- Unique opportunity for a volunteer architect, engineer or project manager to work on a Vocational Training Centre for former child soldiers in Uganda.
- Managing the construction of a sustainable structure using local materials.
- Working in a challenging environment.
- Solving problems as they arise on site with direct support from the Article 25 London team.

REQUIREMENTS

- Qualified professional with 3+ years experience and superb qualifications.
- Proven experience and success working in developing world construction environments.
- Excellent on-site practical experience.
- Excellent communication and personal skills.
- Fluency in English essential.
- Knowledge of Swahili advantageous.
- Previous experience working in Uganda advantageous.

Article 25 is an NGO team of construction professionals designing built solutions in post-disaster and post-war locations throughout the world. Projects include:

- Post-earthquake reconstruction programme in Haiti.
- Conservation based master planning in the Gola Forest, Eastern Sierra Leone.
- Independent evaluation of IFRC earthquake reconstruction building programme.
- School construction in the Democratic Republic of Congo

Information

- Start date: August 2010
- Duration: 6 – 8 months
- Terms: Volunteer stipend tbc, on site in Uganda.

Contact

- Submit a CV, covering letter and examples of relevant work to Mark Hamblett at Article 25.
