

Call for Volunteers: Architect / Experienced Architectural Technician

ARCHITECT / ARCHITECTURAL TECHNICIAN

ROLE

- Exciting chance to join our growing, international London design team working on a sustainable masterplan in Sierra Leone, post-earthquake school reconstruction in Haiti and a child soldier retraining centre in Uganda.
- Contributing to the development of sustainable projects using local materials, knowledge of vernacular design and climate responsive design.
- Working with exciting briefs set within strong environmental, social and design agendas.
- Particularly exciting and challenging cultural environments.

REQUIREMENTS

- Qualified Architect / Architectural Technician with 2+ years work experience.
- Significant experience in job running, leading a small design team.
- Strong design skills essential.
- Excellent communication and personal skills.
- French speakers desirable for Haiti projects.
- Experience in international development desirable.

Article 25 is an NGO team of construction professionals designing built solutions in post-disaster and post-war locations throughout the world. Projects include:

- Centre for street children in Maputo, Mozambique.
- School construction in Haiti.
- Sports based HIV awareness centre, Lesotho.
- Earthquake-resistant housing, Pakistan.

Information

- Start date: immediate.
- Duration: 3 months, 6 month, 12 month durations available, with possible extension.
- Terms: These are voluntary (unpaid), full time positions in the London office.

Contact

- Submit a CV, covering letter and examples of relevant work to Mark Hamblett at Article 25.
- Email: recruitment@article-25.org
- Telephone: +44 (0)20 7375 0144
