Volunteer Full-Time Architect

Part 3 Architect urgently required for Media Centre project located in Nigeria.

Located in the informal waterfront settlements of Port Harcourt, the Media Centre will give marginalised communities a voice by providing a radio station, recording studio, media production studio and cinema. The building will be designed and constructed in collaboration with local residents.

We require a competent job runner with strong design skills to lead the Design Team from RIBA Workstages C onwards.

Responsibilities

- Job running, leading a small design team.
- Liaison with London-based partners and consultants on a regular basis.
- Communications with Nigerian based partners and community representatives.
- Coordination and integration of project information.
- Contract administration.
- Overseeing the preparation of reports and presentations.

Requirements

- Qualified Architect with minimum 3 years experience
- Proven experience in job running.
- Strong design skills essential.
- Excellent communication and personal skills.
- Experience in International Development desirable.

Design for Headquarters building, Gola Rainforest Project

Article 25 is a charitable organisation with a team of construction professionals designing built solutions in post-disaster and post-war locations worldwide.

In all our projects we work alongside local communities and partners; use local contractors and materials, and use our knowledge to create climate responsive designs.

We work in some of the most beautiful, yet challenging places in the world. Our work is underpinned by strong environmental, social and design agendas.

Projects include:

- Facilities for the Gola rainforest in Sierra Leone
- Earthquake-resistant housing in Pakistan.
- School construction in Burkina Faso.

Information

- Duration: 3 months, 6 month, 12 months durations available, with possible extension.
- Terms: These are voluntary, full time positions in the London office.
