

Call for Volunteers - Burkina Faso Construction Manager / Architect / Engineer

Want to make a positive impact and build up NGO experience? We are offering a unique opportunity for a volunteer construction professional to oversee the construction delivery of a secondary school in Burkina Faso.

ROLE

- Managing a local contractor and a team of construction workers using local materials.
- Make regular site visits to ensure quality of construction and monitor the programme of delivery.
- Maintain contract records and ensure compliance with contractual terms and conditions.
- Working in a challenging environment.
- Solving problems as they arise on site.

REQUIREMENTS

- Qualified professional with over 5 years of experience in Construction & Construction Management, including at least 3 years on-site experience.
- Proven experience and success working in developing world construction environments.
- Excellent communication and personal skills.
- Fluency in English and French essential.
- Previous experience working in International Development advantageous.

Article 25, the UK's leading built environment charity, design and deliver buildings and structures for those in greatest need worldwide. We believe that by making our skills and designs available where they are most needed, we can make a real difference in helping communities meet their basic needs and create a better environment.

We are working with UK charity Giving Africa and local partner AEAD to design and oversee construction of a new secondary school in Burkina Faso. The school building will enable AEAD to provide education and skills training as a route out of poverty for Burkina Faso's next generation.

Information

- Start date: March 2012
- Duration: 12 months
- Terms: Volunteer stipend tbc, on site in Burkina Faso.

Contact

- Submit a CV, covering letter and examples of relevant work to recruitment@article-25.org by **Friday 10th February 2012**.
